The ClareOne Panic Pendant (Keyfob) is a wireless hand-held panic button and life-safety device. The pendant features powerful, exceptional range and has a long-lasting battery.

Performance Highlights:

- Can easily send a signal to the ClareOne panel and to the central station for assistance
- Silicone, non-slip button is easy to find in the dark
- Push 2x to initiate panic
- Encrypted technology prevents device takeovers
- LED activates when panic signal has been sent
- Pairs easily and quickly with the ClareOne panel
