

Honeywell FocusPRO 6000 Wi-Fi Thermostat

TH6320WF1005/B

Easily adjust system settings and schedules with the ClareHome app from home or away. The Clare Controls Honeywell thermostat offers control of your HVAC system in one, easy to use interface.

- Stay connected when you're at work or on vacation
- Get system alerts if temperatures get too hot or too cold
- Manage multiple thermostats
- Access multiple locations from anywhere

- Residential use
- Hardwired power
- Smart schedule: programs in seconds for any lifestyle
- Plain language set-up: no manual needed
- Up to 3 heat/2 cool heat pump or up to 2 heat/2 cool conventional systems when used alone
- Adaptive Intelligent Recovery™ - Allows the thermostat to learn how long it takes to reach the temperature you want.
